you had to fight former friends,
former allies so i'm sure it must have been hard on you
no
hey how come you weren't this kind to me after my battle?
Shuuri is small— that's why

did you mean it..
shuuri
If he really is pretending to be loyal to Enju due to his mission then i can't think of that as betrayal
I wouldn't do that
...
though
please don't think baddly of Shuuri
are you sure you're okay?
I'm fine, Oura sama

thaugh that isn't what Kahaku wants ta hear from me
I'd never think like that
Shuuri is a ninja but he's also our friend
ah, and na matter whatever you call me by
I'll always still think of you as a dear younger sister, Kohaku

Kohaku?
heh
heh
Sorry

I'm sorry!
I couldn't properly win

I wanted to protect you
though i may be distant from you
though i may not be here
we will always be your big brothers, Kohaku
Kohaku

I wanted
female
friend
but
theres another reason i'm fighting.. Oura-sama
theres another thing i wanted besides having brothers and sisters
something else
huh

Kohaku-

sakura
don't worry
we're deffinitly getting her back
she lost consciousness
Hayate you stay here and watch over her
yes
let's go to the next floor
だだだっ

I think
I now know
why she won't return my feelings
she always felt guilty for turning me into a frog
she'd make all sorts of medicines (please don't try medicine she makes. it's not healthy)
none of them worked though
though it didn't really bother me being a frog
it was just sort of an inconvenience at times
no..
I'm making excuses.. that she doesn't want to be with me because I'm a frog..
I'm just running away

Kiss
I'm scared to risk confessing to her in this form .. scared she'll reject me
I, also
need to become stronger

she's not alright then
yea, of course she did win after all though she is injured
..
i-is Kohaku-chan.. alright as well?

I want to go back
I can't stand to watch them fight for me!
I ...!
....
e-even if that is true..
NO!
it's nonsense to believe humons
they'll find a way to kill you, like they did our mother and grandmother
their afraid of Youko like us
I can't allow that

Kohaku, Hayate, Aoba, Asagiri, Byakuya, Fujimurasaki
I'm positive they'd understand!
their not all like that!!
please
!?
i feel so sorry for you
they really have brain-washed you Sakura

will you point Chizakuro, your own blade at me your brother?
Sakura
I care for you so much more than them
why can you not understand this?

you've always been such an eyesore
ガシャーン
ガシャーン

she's a Yuki-onna
Asagiri..
she suddenly got bigger
I'll never forgive you

I shall kill you with my own hand!
how can i forgive you!
you! you destoryed our village! you were the only one left alive!
that has to be a lie!
please calm down Ukya-san
Asagiri isn't the kind of person who would do that!
hime-sama

she's a kind person
you're mistaken
she couldn't do that
you must-
STOP IT!
はっ?
that's enough
Ukyo is correct, I am the one who destoried the village!
I killed everyone who was living there!

I con hold a grudge, i can hate someone enough to want them dead!
I'm not kind! not at all!
I'm sorry, Sakura-hime-sama
I really didn't want you to find out about this

you're wrong about one thing
Ukyo
you are unable to kill me.
because you're still, in love with me
you sided with the Youko, to come after me, to find me

but...
I am
no longer
in love with
you, Ukyo!
thus
I can
kill you!

in a northern land where the sun never reaches
a village of Yuki-onna
Yuki-Toya village
Ukyo~! have some tea with us!
Ukyo~ did you find my hair pin?
hey Ukyo! my paper-door is broken. could you help fix it tomorrow? please?
hey hey! stop hanging on Ukyo!
this is Yuki-Toya village
I'm fine
you okay Asagiri?
Yuki = Snow
Toya = Night

FEMALE
we are female snow-spirits protected by a god
village of yuki onna
snow
though males only exist to help consive children
and to help take care of the females
80% af the village is female
20% however is male
Ukya is younger than most of the males at the moment and he has not yet chosen a wife so he s very popular with most of the females
men con have as many wives as they so choose

you don't like Ukyo very much do you, Asagiri
hmp
of course he is only popular because theres so few men in our village
there really isn't anything special about him his looks are average even
he doesn't even talk much. he's probably timid too
in other words
he's usless.

have you forgoten the legend?
there's a huge tree in the mountain pass
one day one of the men decided to climb the tree
as soon as he tried to, he suddenly bust into flames
this made the other men enraged
they tried to cut the tree down
but they too bust into flames all the men died that night

she sacrificed herself to the tree
a baby boy appeared from her ashes
the women were at a lose as what to do
though the strongest snow-spirit said
15
that is a sacred tree inside must dwell a god
I shall sacrifice myself and calm his anger
since then our village give the tree a sacrifice every year
after that
so the village will always be protected

we should be thankful
for a god to have forgiven our ill maners
it'd be an honor to be chosen as the sacrfice you know
yea...
it must be nice to give yourself to a god for the village
